### § 1912. Financial disclosure by officer or employee of Secretary

#### (a) Filing and availability of written statements; contents

Each officer or employee of the Secretary of the Interior who—

(1) performs any function or duty under this Act, or any Acts amended by this Act concerning the regulation of mining within the National Park System; and

(2) has any known financial interest (A) in any person subject to such Acts, or (B) in any person who holds a mining claim within the boundaries of units of the National Park System;

shall, beginning on February 1, 1977, annually file with the Secretary a written statement concerning all such interests held by such officer or employee during the preceding calendar year. Such statement shall be available to the public.

#### (b) Enforcement procedures

The Secretary shall—

(1) act within ninety days after September 28, 1976—

(A) to define the term “known financial interest” for purposes of subsection (a) of this section; and

(B) to establish the methods by which the requirement to file written statements specified in subsection (a) of this section will be monitored and enforced, including appropriate provisions for the filing by such officers and employees of such statements and the review by the Secretary of such statements; and

(2) report to the Congress on June 1 of each calendar year with respect to such disclosures and the actions taken in regard thereto during the preceding calendar year.

#### (c) Exemptions

In the rules prescribed in subsection (b) of this section, the Secretary may identify specific positions within such agency which are of a non-regulatory or nonpolicymaking nature and provide that officers or employees occupying such positions shall be exempt from the requirements of this section.

#### (d) Violation; penalty

Any officer or employee who is subject to, and knowingly violates, this section or any regula-

tion issued thereunder, shall be fined not more than \$2,500 or imprisoned not more than one year, or both.

### § 2001. Congressional findings

The Congress finds that:

(1) There is a growing demand on the soil, water, and related resources of the Nation to meet present and future needs.

(2) The Congress, in its concern for sustained use of the resource base,<sup>1</sup> of the United States, has ensured that the Department of Agriculture possesses information, technical expertise, and a delivery system for providing assistance to land users with respect to conservation and use of soils; plants; woodlands; watershed protection and flood prevention; the conservation, development, utilization, and disposal of water; animal husbandry; fish and wildlife management; recreation; community development; and related resource uses.

(3) Resource appraisal is basic to effective soil and water conservation. Since individual and governmental decisions concerning soil and water resources often transcend administrative boundaries and affect other programs and deci-
